

## Commitment Card

Knowing that the Cub Band is at the heart of BHS spirit;  
And  
That we maintain and excel on the largest team in our school;  
And  
That the tradition of excellence that I have inherited has been  
entrusted to me by all former band members;  
And  
That it is our goal to always use our past success;  
And  
That the ONLY person that I can have 100% control over is  
myself,

Be it known that I hereby commit myself to...

- Attend all rehearsals, sectionals, and performances as listed on the calendar
- Follow the traditions, policies, and guidelines of the BHS Band
- Play off all music on time
- Learn my drill spot
- Respect ALL band members
- Be prepared and on time
- Communicate all problems at the earliest possible time
- Have Fun!!

Above all, I promise to participate with a positive attitude in order to promote and maintain the spirit and Pride of the Brenham High School Cub Marching Band.
